

Career Profile

Marylin Raina

Marylin Raina has over 15 years experience, dealing in the Professional Risks area, combined with an additional 15 years in the insurance industry. Marilyn is well placed to handle the most complex risks.

Formal industry qualifications compliment Marilyn's ability to assess, analyse and communicate with ease to Clients and Underwriters. Her professional qualifications include:-

- Qualified Practicing Insurance Broker
- Senior Associate of ANZIIF
- Marketing Diploma
- Diploma in Insurance & Business Broking
- Tier 1 Compliant
- Certified Insurance Professional

Marilyn's dedication and commitment to her profession is demonstrated in many ways.

- President of the Western Australian Professional Service Network. This is a group of professionals (such as Brokers, Underwriters, Lawyers, etc.) who meet regularly to discuss issues affecting this very important area of insurance including topical Court cases.
- Past Vice President of the Australian Women in Insurance Association.
- Past Vice President of the Perth Insurance Club.

Whilst working at a large International Broking House (1995-2000) as the Manager of Professional Risks Practice Division, Marilyn's duties included management reporting (business plans, budgets), supervision of staff, servicing existing clients and debtor control. Many of her clients from 1995 are still with her today.

Many Professional Risk schemes have been arranged:-

- Accounts
- Engineers
- Architects
- Miscellaneous for small business

Marylin is committed to education within her area and often holds training sessions at the request of clients and fellow brokers.
